

## LAKE COUNTY DEPARTMENT OF UTILITIES

### Administration Division

### Wastewater Plant Maintenance

The Lake County Department of Utilities is accepting applications for the position of Plant Maintenance at the Gary L. Kon Water Reclamation Facility. Applicants must have a High School diploma or GED. A valid Ohio Driver's license, a safe driving record and a drug screening are required. Applicants familiar with basic maintenance and operational tasks involving manual labor, preventative care, general repairs, maintaining records, utilizing tools and equipment to make and/or modify parts, completing industrial electrical, plumbing, pipefitting, welding and electronic tasks are preferred. Familiarity with wastewater treatment is preferable. Knowledge of Microsoft office is preferred. Good written and verbal communication skills; ability to have effective working relationships with fellow coworkers, public officials, the general public, contractors, consultants and customers is preferred. This position will include physical labor, including working outdoors in all types of weather conditions. This position may require overtime, shift, weekend and holiday work, as well as flexible hours and rotating days. Salary range is dependent on qualifications.
